

The MUM'S BUM CUP COURSES

The MUM'S BUM CUP... Is the ultimate prize competed for in any the Be The Ball Tour season. It is often referred to as golf's very unofficial 5th major!

The name of the 'Mum's Bum Cup' originated on a family trip many years ago. Whilst playing a Trivial Pursuit board game on holidays up the north coast of NSW, a question arose. 'What is white and has 360 dimples?'

Within a second, our mother, who was listening in to us 4 Tosh boys playing, answered 'My bum!' This, as you could imagine raised fits of laughter among us. When a name was needed for a golfing trophy the time, Bum Cup was an easy and popular decision.

Played over 2 days, on the June Long Weekend of every year, the first day of the time, Bum Cup consists of stroke event. At the end of the first round the top 16 players then progress to the final championship round on the Sunday of the tour. (All other golfers play in an Ambrose style event tilted as much to the social side of things, as the golf itself).

Over the years we have endeavoured to play the best publicly accessible golf courses available, within budgeted costs. At the same time, we try to select courses to suit the playing abilities of our membership.

Our goal is to play new courses; revisit courses a decade on to see their changes and/or to introduce them to new members; or access championship courses most rarely have the opportunity to play.

We have played many cracking courses too!

Points of Interest...

- We have played **26 different golf courses** over the years.
- We have played **4 golf courses twice**: Palm Meadows Qld; Tallwoods NSW; Moore Park NSW; and Lakelands Qld.
- **Every year ending in a 4 we have what we call a 'true tournament.'** That is, each decade we play both days on the same course. In BTB4 we played Tallwoods twice. In BTB14 we played Moore Park twice. It is another BTB tradition.
- The lowest ranked golf course we have played was Peninsula in BTB6 Melbourne. It was at the time **ranked the 6th best course** in Australia.
- **The lowest par course we have played was Stirling, SA** in BTB11. It was a **par 67**. The lower par however was negated by the rolling terrain in the heart of the Adelaide Hills.
- We have played Queensland courses the most . Followed by NSW, Far North Queensland, Victoria and South Australia.
